

Listed below are just some of the reasons you should enroll.

The Maintenance Agreement Partner Plan is your opportunity to insure that any plumbing problem that may arise will be treated as a priority.

The investment to become a Maintenance Agreement Partner is a fraction of the cost of any of the services individually.

* Priority Service — you get executive scheduling and treatment meaning you are guaranteed an appointment whenever you need one and move to the front of the line with priority service as well as exclusive extended appointment times and guaranteed emergency service.

* Priority Free Whole-House Inspection — annually you receive a scheduled 120+ point health & safety inspection of your entire plumbing system to be performed at Your convenience. Included but not limited to all your toilets, faucets, sinks, water heater, water pressure, drains, water quality testing, camera inspection of your dryer vent, etcetera.

* Priority Free Tune-Ups — performed during your annual scheduled inspection including toilet adjustments and replacement of up to two flappers if needed, replacement of up to two faucet aerators if needed, kitchen sink treatment with BioOne Drain Maintenance.

* Priority Low Pricing — low anytime dispatch fee of only \$59 — that's anytime including after hours, weekends, holidays, whenever there's an emergency and you need us with no overtime charges at all.

* Priority Sewer Line Camera Inspection — a main line sewer inspection with our specialized high-tech video camera with available cleanout during annual inspection ensuring no potential hazards such as root intrusion that could be a disaster waiting to happen and sewage backing up into your home.

* Priority Free Annual Water Heater Flushing — If your water heater is less than 5 years old, we will drain and flush out the impurities and scale buildup as well as use another of our specialized cameras to inspect the inside of the tank and refill it to ensure it operates at its optimal efficiency.

* Priority Discounts — never pay full price again for any plumbing, drain cleaning or water filtration service again. Receive a whopping 10% discount (the preferred service rate) on all services you should ever need us for!

There's no obligation, and you can terminate at any time. Why not join today?

"I love being a member/partner of the Agreement Plan. Not only is scheduling an appointment even easier than before, but I like the discounts on services and the peace of mind knowing that once a year I get a proactive call to schedule a very thorough inspection of my entire plumbing system (toilets, faucets sinks AND water heater). On this last inspection, the technician found that two toilets needed to be reset (not uncommon when they sit on tile), and he helped me avoid a potential and costly issue down the line. And let's face it, no one wants to deal with toilet problems which always seem to happen late at night or when you have a house full of company. I can't say enough about the entire Three Way team. I just wish they offered more than plumbing services!!"
